**SUBJECT TO AVAILABILITY IF OUT OF STOCK YOU WILL BE INFORMED WHEN YOU WILL BE RECEIVING YOUR UNIT.**

1. NO RETENTION IS ALLOWED UNDER ANY CIRCUMSTANCES. THE SYSTEM REMAINS OUR PROPERTY UNTIL PAID FOR IN FULL
2. The installation of the equipment is and remains the responsibility of the home owner to be carried out by a fully qualified electrician.
3. Consult and read the installation manual thoroughly before the installation.
4. In no way whatsoever does Solar Geysers Pretoria Tshwane take responsibility and or liability if the above mentioned installation is not done accordingly.
5. Keep the equipment out of the reach of children, especially infants.
6. Installation of this product must be carried out by adults only.
7. Do not install your equipment in a humid room (bathroom, laundry, kitchen, etc) or in close proximity to a tap or water source. Do not expose the equipment to moisture, splashes or spray.
8. The equipment and all associated components are for indoor use and in normal temperature conditions only.
9. Avoid extreme temperatures. Store away from sources of heat, ignition and fire.
10. Do not attempt to open, disassemble or repair the equipment, if you do, you will lose your warranty. You are allowed to change the batteries only.
11. The equipment contains a radio transmitter, which may affect the operation of medical or emergency equipment.
12. Before using this equipment in a medical environment, always seek advice of a qualified medical expert.
13. The LCD screen is made of glass and may break if dropped.
14. Please take special care when handling a damaged Display screen, as the liquid crystals may be harmful to your health.
15. Do not cover the ventilation holes on the equipment.
16. Please ensure you read this Installation and Programming Guide carefully before using the equipment.
17. Radiant guarantees that the OWL + USB will work for a minimum period of 12 months from date of purchase and that it will be free from defects in materials, workmanship or design. If during this limited 1 year period of guarantee, from date of purchase, you find that the equipment is not working properly, you may return it to us and we will replace, or (at our discretion) repair it, free of charge. Shipping cost for your account
18. Radiant will not accept any liability for defects arising from fair wear and tear, accidental or willful damage, misuse or failure to follow product or safety instructions.
19. If you return any equipment as faulty, Radiant reserves the right to test the equipment and if found to be in perfect working order, to return it to you. In this event, Radiant reserves the right to charge for any testing or postage cost incurred. This does not affect your legal rights relating to equipment, which is faulty.
20. Warranty conditions only apply if Proof of Purchase is provided. "Original Invoice"
21. To return your OWL + USB contact [www.radiant.co.za](http://www.radiant.co.za) to report the issue and reason for returning your product. Radiant will issue you a form and reference number. Once we have received the completed form and proof of purchase we will commence the return process.

## COMPLIANCE

The CE marking certifies that this product meets the main requirements of the European Parliament and Council Directive 1999/5/EC. A copy of the signed and dated Declaration of Conformity is available on request.

Your OWL + USB is manufactured to ISO-9001 Quality Assurance Standards.

When you receive your unit, please open the box and check that all the parts are there and nothing has been damaged. If any goods are damaged please contact us immediately.
